Art Unit: 3752

This is in response to the petition for restarting of the period for response filed August 11, 2000. Applicants had previously informed the Office (March 2, 2000) that the Notice of Allowability mailed February 4, 2000 did not include the Notice of Draftsperson's Patent Drawing Review, PTO-948 as an attachment. Applicant requested a corrected Notice of Allowability with a copy of the form PTO-948 (letter filed March 2, 2000). On July 26, 2000, after applicants paid the issue fee, a copy of the form PTO-948 was mailed to applicant without setting a period for response.

Accordingly, applicant is hereby given a shortened statutory period for response of one month from the mailing date of this letter to comply with the drawing requirements set forth in the communication mailed July 26, 2000.
